Bonds

Bond mark ups and mark downs are dependent on a number of factors, including bond rating, the number of years until maturity and the size of the order. The below rates summarize the range we would charge for a bond of a given bond rating. The AAA scale will be used for US Government and Agency bonds.

Quality	Mark Up/Mark Down
AAA Bonds	1.00% - 2.25%
AA Bonds.....	1.00% - 2.50%
A - BBB Bonds	1.25% - 3.00%
Below Investment Grade.....	1.25% - 3.50%

These general guidelines are intended to cover the vast majority of all trading and exceptions are subject to individual trade review. Minimum firm ticket charge is set at \$40 per trade. Cross trades, while viewed as separate transactions, shall not exceed 125% of the individual suggested markup when combined (subject to de minimus exception).

*All transactions subject to an overriding \$40.00 minimum. A charge of \$5.00, in addition to any commission charge, will be added to all confirmations to cover the cost of handling. This commission schedule is subject to change without notice.
